◆ Academic Programs & Departments

UAP offers **undergraduate and postgraduate** degrees across multiple faculties:

1 Faculty of Engineering

- 🔧 **Department of Civil Engineering (CE)** – One of the most popular & oldest at UAP.
- 💻 **Department of Computer Science & Engineering (CSE)** – Focused on AI, software, networking.
- ⚡ **Department of Electrical & Electronic Engineering (EEE)** – Covers power systems, electronics.
- 🔧 **Department of Mechanical Engineering (ME)** – Newer department, growing in demand.

2 Faculty of Business & Economics

- 💼 **Department of Business Administration (BBA, MBA)** – Finance, Marketing, HR specializations.

3 Faculty of Science & Technology

- 💊 **Department of Pharmacy** – One of UAP's strongest programs, very competitive.

4 Faculty of Arts & Social Sciences

- 📖 **Department of English** – Focus on literature, linguistics, and ELT.
- 🌐 **Department of Sociology** – Studies on social development, research work.

5 Faculty of Law

 **Department of Law & Human Rights (LL.B.)** – One of the best private university law programs in BD.

◆ Admission Process & Requirements

- **Minimum GPA Requirement:**
 - HSC + SSC **Combined GPA 6.00** (No GPA below 2.5)
 - **CSE, EEE, Civil & Pharmacy:** Requires **Math, Physics, Chemistry, Biology (for Pharmacy)** in HSC.
- **Admission Test:** Some programs require **written tests + viva**.

Frustrations from students:

- ✗ Admission seats **fill up quickly** for top departments.
 - ✗ Tuition fees **increase frequently** without prior notice.
 - ✗ Lack of **scholarships for middle-class students**.
-

◆ Tuition Fees (Updated Estimate)

(Total cost for completing the degree, can change each semester)

Department	Approximate Fee (BDT)
Civil Engineering	9-10 lakh
CSE / EEE	8-10 lakh
Mechanical Engg.	8-9 lakh
BBA	5-7 lakh

Law (LL.B.) 6-7 lakh

English / Sociology 5-6 lakh

Pharmacy 10-12 lakh

🔴🔥 **Frustrations from students:**

- ❌ Fees **increase without prior notice**.
 - ❌ No **proper scholarship system** for poor students.
 - ❌ Hidden costs in labs, exams, and ID card renewals.
-

◆ **Campus & Facilities** 🏢

- ✅ **Library:** Decent collection, but space is **limited**.
- ✅ **Computer Labs:** Available, but **often overcrowded**.
- ✅ **Pharmacy Lab:** Well-equipped, but **not enough space for research**.
- ✅ **Cafeteria:** Food is **mid-level, kinda overpriced**.
- ✅ **WiFi:** Available, but **slow as hell during peak hours**.
- ✅ **Transport:** No official university buses, students have to **manage their own transport**.

🔴🔥 **Student Complaints:**

- ❌ No **big central campus** like NSU, BRAC, AIUB.
 - ❌ **Not enough places to hang out** between classes.
 - ❌ **Farmgate traffic jam is a nightmare** to deal with daily.
-

◆ **Clubs & Extracurricular Activities** 🤖🏆

UAP has student-run clubs, but many are **not very active**.

- 🎤 **Debating Club** – Occasionally participates in inter-university debates.
- 🤖 **Robotics & Programming Club** – Good for CSE students, but funding is **low**.
- ⚽ **Sports Club** – Organizes small football, cricket tournaments, but **no real funding**.
- 🎵 **Cultural Club** – Hosts annual concerts & Pohela Boishakh events.

🔴🔥 Issues with clubs:

- ✗ Lack of proper funding from administration.
 - ✗ Not many international competitions participation.
 - ✗ Events get **cancelled due to "budget issues"**.
-

◆ Student Reviews (Good & Bad) 🤨😡😂

✅ Positive Reviews:

- ✓ Good for Pharmacy, CSE, Civil, Law.
- ✓ Cheaper than NSU, BRAC, AIUB, UIU (but quality varies).
- ✓ Teachers are helpful in some departments.
- ✓ Located in central Dhaka (Farmgate, easy to commute).

✗ Negative Reviews (Common Student Complaints):

- ✗ Campus too small – No "real university feel".
 - ✗ Too much traffic jam around Farmgate area.
 - ✗ Management sucks sometimes – slow responses from admin.
 - ✗ Not enough research funding – hard for students in CS/Pharmacy to do high-level work.
 - ✗ No proper cafeteria space – **expensive** food, long waiting times.
-

◆ Job & Career Opportunities 🧑🧑

- Civil Engineers from UAP get jobs in **real estate, government projects**.
- CSE grads get jobs in local software firms, but **struggle to get top jobs in big tech**.
- Pharmacy grads have good career paths, **but need higher studies for top positions**.
- BBA, English, Sociology grads often struggle to find high-paying jobs.

🔴🔥 Frustrations from students:

- ✗ No **strong internship placement support**.
 - ✗ UAP **does not have a strong alumni network** like NSU/BRAC.
 - ✗ Hard to find **high-paying jobs without extra certifications**.
